

Kurodahan Press is proud to announce:

Kaiki: Uncanny Tales from Japan Volume 2: Country Delights

Selected and with commentary by

HIGASHI Masao

Preface by Robert WEINBERG

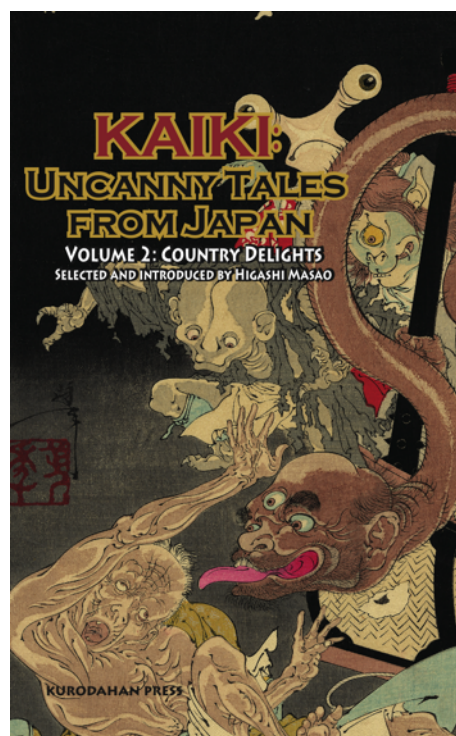

ISBN: 978-4-902075-09-0

Pages: xiv + 289 pages

Size: 5" x 8" (127mm x 203mm), softcover

List Price: US\$16.00

Publication date: October, 2010

The second volume in our *Kaiki* series moves from Edo, the center of Japan during the Shogunate, into the country, where old traditions and older fears are preserved. Enjoy a deeper and very different glimpse into the world of Japanese weird and supernatural literature, with superlative works drawn from centuries of literary creation. Includes an in-depth introduction to the genre by recognized authority Higashi Masao.

Contains nine stories by authors including Natsume Sōseki, Izumi Kyōka, and Komatsu Sakyō, one essay and one manga.

Check our website for the complete table of contents and the online preface:
